

## Cairngorms Countryside Events 2009

Once again we want to promote Countryside Events in the National Park in a variety of ways. Our main format is a monthly pdf that appears on our web site and that of the Cairngorm Chamber of Commerce and, in 2009, Cairngorms Hostels. In addition we circulate the pdf to TIC's and ranger services for display.

We also advertise free events on a dedicated page of the monthly 'What's On' publication.

In order for us to compile events from 14+ different sources we need to receive them in the same format. We do not have capacity to convert excel files or variety of other formats into a consistent word format. Therefore can you please submit any events you want included in our compilation as a **Word document** in the format below. Please clearly separate each month's events.

Two types of event are shown below; one for an event that occurs on every Tuesday in the month and another for a 'one off' event. The box below provides details the format.

As many of you will have already compiled events for the year ahead we would be happy to receive the full list. However, you can also submit a month at a time. The absolute deadline is five weeks in advance of 'publication' **i.e.** we would need **April's** events by **27<sup>th</sup> February**.
