

STUNNING PANORAMIC POSTERS OF THE CAIRNGORMS NATIONAL PARK

Two views of the Cairngorms National Park are now available to buy as posters. They either show the view from the northwest, with Badenoch and Strathspey in the foreground, or the view from the east, with Deeside in the foreground.

The posters (approx 25"x24") come pre-wrapped in tubes for ease of carriage and can be purchased from local shops for £7.95. They are also available by mail order from panoramas@cairngormschamber.com at a cost of £9.75 inc p&p.

A donation from the sale of each poster helps fund the work of the Cairngorms Outdoor Access Trust.
